object to the inclusion of this community in the Central List of OBCs for the State of Jharkhand.

7. We have perused the report of the Jharkhand State Commission for Backward Classes. As per the report, the caste people basically belongs to Odisha State and some persons have now come to Jharkhand and are residing only in 23 villages of Bharagoda Block of Jharkhand State. Their total population is about 2310. Although their mother tongue is Oriya, they speak a mix of Oriya and Bengali. The caste is lower in status than Teli, Koyri, Baniya Mandal, etc. but is equivalent to Gaur, Ahir. About 80% of the population of this caste work as labourers, 10-12 people do small business, very few are in government service. The wall of their houses are made of mud and roof made of straw. Women literacy is less and due to poor financial conditions boys and girls have to leave education before matric. There is no higher education in this caste.

We have gone through the report of the Jharkhand State Commission for Backward Classes based on which the State Government has included the caste/community 'LAXMI NARAYAN GOLA' in the State Backward Classes List. The NCBC is inclined to agree with the report of the State Commission and is of the view that the caste/community 'Laxmi Narayan Gola' is socially and educationally backward and their economic status is also very poor and therefore deserves to be included in the Central List of OBCs for the State of Jharkhand.
