FINDINGS

Case: Correction of omission of synonym "Mangali" in the Central List of OBCs for Andhra Pradesh.

The two-Member Bench consisting of Shri P.S. Krishnan and Prof. D.L. Sheth held a Preliminary hearing at Hyderabad on 10. 10. 1994. During the hearing, certain patent cases of errors of spelling or omissions by oversight were noticed by the Bench. The present case, explained in the tabular statement below, is one of them.

of hair-cutting in terms of the traditional caste system, in A.P. This has been brought out by Edgar Thurston and K.Rangachari in Vol. IV of their 7-Volume compendium of the Castes and Tribes of Southern India, drawing upon the Madras Census Report 1901 as well as the Manual of the North Arcot District, where this caste is referred to as "Mangala". The name Nayi-Brahmin was adopted later by members of the community apparently on account of the feeling that the original name was stigmatised.

N. Reddissekhar, MSc(Ag.), Research Scholar, Genetics Division, IARI, Pusa, New Delhi - 12 has made a request dated 21.02.1994 to the Commission to make good the omission of the synonym in the Central List.

It is necessary to add the synonym "(Mangali)" in the Central List as in the State List by issuing a Notification of erratum adding the synonym as given in Col. No. 8 at the earliest so that candidates of the Nayi-Brahmin(Mangali) caste/community may not have to face difficulties in securing certificates and consequential benefits in reservation in the Central posts and services as well as from various central programmes for OBCs.
