3.8 Development Action Plan for Scheduled Castes (DAPSC)

Vision

As per consolidated guidelines of Scheduled Castes Sub-Plan (SCSP) issued by Planning Commission in October, 2005 and December, 2006; all the States/Ministries/Departments to earmark funds under SCSP out of their Plan outlay, in proportion to the percentage of SC population in the States/country. (SCs constitute 16.62% of country's population as per Census, 2011).

Constitution of a task force and issue of revised guidelines on SCSP by the Planning Commission in 2010

Since the implementation of the SCSP was inadequate, the then Planning Commission constituted a Task Force on 04.06.2010 under the Chairmanship of its Member, Dr. Narendra Jadhav, with Secretaries of Ministries of Social Justice& Empowerment and Tribal Affairs and Principal Secretaries of four States as Members to re-examine and revise the extant guidelines for implementation of SCSP & TSP.

The Task Force submitted its report to the then Planning Commission regarding revision of SCSP/TSP guidelines in respect of Central Ministries/Departments on 25thNovember, 2010. The Task Force recommended a differentiated Ministry/Department-wise earmarking of Plan funds for SCSP under the four following categories: -

I. Required to earmark more than 16.2% of their Plan Outlays under SCSP (6-Ministries/Departments);
II. Required to earmark between 15 - 16.2% of their Plan Outlays under SCSP (9-Ministries/Departments);
III. Required to do partial earmarking (less than 15% with regard to SCSP) (10-Ministries/Departments); and
IV. No obligation for earmarking Funds under SCSP (43-Ministries/Departments)

In pursuance to the above report, the **numbers of Ministries/Departments earmarking funds under DAPSC** are given in Table below**:**

(Table 3.8)

Items	2012-13	2013-14	2014-15	2015-16	2016-17	2017-18	2018-19	2019-20	2020-21	2021-22	2022-23	2023-24	2024-25
Earmarking > 16.2 %	4	5	12	12	7	9	16	18	17	17	17	17	17
Earmarking 15- 16.2%	8	9	1	1	5	6	1	1	0	0	1	2	2
Earmarking less than 15 %	11	11	9	9	13	11	13	16	20	21	21	20	20
Subtotal	**23**	**25**	**22**	**22**	**25**	**26**	**30**	**35**	**37**	**38**	**39**	**39**	**39**

The differentiated approach was suggested in view of the fact that omnibus guidelines for all the Ministries/Departments was not practical as the nature of the functions carried out by these four categories of Ministries/Departments was different. As per the revised guidelines, aggregate earmarking of funds for all the Central Ministries/Departments taken together will be 16.2 % as stipulated under the earlier guidelines.

Assessment of Scheduled Caste Sub Plan by Central Ministries/Departments

The Centrally Sponsored Scheme for the implementation of the PCR Act, 1955 and the SC/ST (PoA) Act, 1989 is not a development-oriented scheme. The PCR Act, 1955 and the SC/ST (PoA) Act, 1989 is implemented by the State Governments and Union Territory Administrations. This department provides Central Assistance to the States and UTs for effective implementation of these Acts under the Centrally Sponsored Scheme. The details with regard to number of atrocity victims/dependents provided relief, number of inter-caste marriage couples provided incentive etc. are provided by the States/UTs along with the financial proposal for release of Central Assistance under the scheme.

Therefore, the details with regard to number of victims/dependents provided relief and number of couples provided incentive for inter-caste marriage couples in F.Y 2024-25 will be received along with financial proposal for F.Y 2025-26.

However, the information, as available, with reference to the implementation of the scheme in States/UTs, is as under:

ii. Approx 194644 number of inter-caste marriage couples have been provided incentive since F.Y 2014-15.

iii. 211 Exclusive Special Courts have been set up for speedy trial of cases registered under the SC/ST (PoA) Act, 1989 in 15 States/UTs. However, the States/UTs also designate Special Courts for trial of cases registered under this Act.

iv. FIRs can be registered in any Police Station of the States/UTs. However, 145 Special Police Stations have been set up under this Act in 5 States/UTs.

Best Practices:

The PCR Act, 1955 and the SC/ST (PoA) Act, 1989 is implemented by the State Governments and Union Territory Administrations. (5) Evaluation Studies:

Evaluation processes are a necessary step towards establishing institutionalized mechanisms for achieving transparency and accountability, generating lessons learnt for real-time improvement of the programmes being implemented, and for ensuring effective dissemination of knowledge amongst the participating stakeholders and targeted beneficiaries. The adoption of robust and mature M&E processes would improve the performance of the schemes in effect, and allow for better design and implementation of future programmes through continuous monitoring of programmes and credible evaluation based on ground level feedback and evidence conducted by independent organizations to provide institutional solutions.

National Action for Mechanized Sanitation Ecosystem (NAMASTE)

State-wise Details

Since NAMASTE is a Central Sector Scheme, the distribution of the budget of the scheme among the States is not predefined. The State-wise budget of the scheme depends on the number of SSWs profiled in the State, number of AB-PM JAY beneficiaries claiming health expenses, number of sanitation workers/manual scavengers claiming capital subsidy for sanitation related project/ self-employment project, etc.

Therefore, there is no States/UTs wise fund allocation. The components wise details in respect of the States/UTs are provided, as under.

(Table 5.6)

		SSW Components																	SRMS Components				
		Work-Completion (Profiling Camp)		Safety devices under ERSU		PPE Kits surface cleaning SSWs		Provision of Mechanized cleaning equipment's/ machines to Sanitation Workers (with Aadhar linked bank accounts)		Handholding Assistance to beneficiaries for availing loan with capital subsidy		Health Insurance coverage of SSWs and family		IEC Campaign		Workshop			SDTP		Capital Subsidy (General Projects)
